DEFINITIONS

Bullying

“The word “bullying” means any repeated direct or indirect behaviour, comment, act or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a power imbalance between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” (Education Act Section 13(1.1))

[Bill 56: An Act to Prevent and Stop Bullying and Violence in Schools](#)

Violence

The word “violence” means any intentional demonstration of verbal, written, physical, psychological or sexual force which causes distress and injures, hurts or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property. (Education Act Section 13(3))

[Bill 56: An Act to Prevent and Stop Bullying and Violence in Schools](#)

Sexual Violence

"The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by a technological means."

<https://www.quebec.ca/en/education/prescolaire-primaire-et-secondaire/droits-eleve/report-an-act-of-sexual-violence-against-a-student>

Racism

The word racism means: “Racism corresponds to the “set of ideas, attitudes and actions whose purpose is to make ethnocultural and national groups feel inferior socially, economically, culturally and politically, thereby preventing them from benefitting fully from the advantages to which all citizens are entitled.” Racist discourse is usually based on real or presumed physical and cultural differences.” (MIDI, 2015)

Discrimination

The word discrimination means: “Every person has a right to full and equal recognition and exercise of his human rights and freedoms, without distinction, exclusion or preference based on race, colour, sex, gender identity or expression, pregnancy, sexual orientation, civil status, age except as provided by law, religion, political convictions, language, ethnic or national origin, social condition, a handicap or the use of any means to palliate a handicap. Discrimination exists where such a distinction, exclusion or preference has the effect of nullifying or impairing such right.” (Charter of Human Rights and Freedoms, section 10).

School Portrait

School's socio-economic index:

8

Student population:

566

The school territory is vast, and some students travel more than 90 minutes each way daily, in some cases taking three different vehicles. Out of the 566 students registered in 2024-2025 almost all use school transportation. The issues of distance and dispersion are important. The school serves students from 4 MRCs: Mirabel, La Rivière-du-Nord, Argenteuil and Les Pays-d'en-Haut. We are served by four different CISSSS, work with the Hôpital d'Argenteuil and work as well with Batshaw Youth Services.

As it covers such a large territory, the school also has a variety of types of milieus. Predominantly rural, most of our small cities focus on agriculture and tourism, with pockets of industry in areas such as Lachute, Mirabel and St-Jérôme. There are also significant pockets of poverty in the region. The government rates LRHS as a school with a socio-economic index of 8 which is identical to our rating last year.

Other pertinent information:

In the 2024-2025 school year, a total of 566 students, we have 285 registered as male, 280 female and 1 student who is registered as non-binary. There are 320 who indicate that English is their mother tongue, 220 students who indicate that French was their mother tongue, and 14 indicated other languages. Most of our students can converse in both English and French. We have 42 students coded with special needs and 192 who have an IEP.

In terms of direct support to students, we have one guidance counselor, four Special Education Technicians, and four Educational Assistants. This year, there are four Supporting Teachers working at a reduced teaching workload.

Priorities 2024-2025

In the 2024-2025 school year, we will continue to prioritize the students' concerns. The focus will center around Three things: the students' sense of belonging, their personal interests and motivations towards school, and persisting to reduce Exclusion, Harassment and Bullying (EHB) at LRHS. We are appreciative that the EHB has been reduced 4% over the past 8 months, but will now focus on where the EHB takes place within the school and at what times within the day. Furthermore, those who have experienced EHB need to come forward with information with the staff when it occurs. The data states that the school staff are the last to know when EHB happens; the students need to advocate for themselves in these occasions.

The ABAV committee will continue to open conversations with both students and staff to find ways to share ideas for positive changes and solutions. Moreover, the committee will share the results of the Our School Survey with all staff members to raise awareness of the students' current and evolving concerns. The school's CLC coordinator will then utilize her contacts and creative resourcefulness to engage within the school's community. LRHS wants to build a foundation for the years to come.

Element 2 PREVENTION MEASURES

To address the area(s) of concern, the following preventative measures aimed at putting an end to all forms of bullying and violence; in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic include:

| | |

| 10 - | Maintain a variety of ECAs to appeal to students' sense of belonging |

Element 3

MEASURES FOR PARENT/GUARDIAN COLLABORATION

The success of this plan depends on the understanding and support of all of our stakeholders. School administrators and staff play a key role in developing programs and strategies to improve daily school life. Students also have a responsibility to promote and support positive behaviours. Parents/Guardians are equally important and necessary partners in this initiative. Parents/Guardians are encouraged to be active advocates for their children and to be aware of changes in their behaviours and to contact the school when behaviours at home become a concern.

The following measures are aimed at encouraging parents/guardians to collaborate in preventing and stopping bullying and violence and in creating a healthy and secure environment.

1. The School's Code of Conduct will be communicated with the parents/guardians (agenda, curriculum night, bulletins/memos, and/or on school website).
2. The ABAV Plan will be made available to parents/guardians.
3. Ongoing communication between principal and / or their designate and parents/guardians of children who are being bullied and those who are engaging in bullying behaviours until the resolution of the situation. Periodic communication with students who are bullied and their parent(s) to ensure that measures taken have been successful and the bullying has ceased.

SIR WILFRID LAURIER SCHOOL BOARD

Element 4 PROCEDURES FOR REPORTING

The school will take the necessary measures to ensure confidentiality for all parties.

An incident of bullying and/or violence can be reported verbally (in person or by phone) or in writing (by email or by letter addressed to school administration). Students who wish to write a note to report an incident are encouraged to include their name for follow up.

Staff members who receives a report must document the information and submit the information to administration for follow up. On receiving a complaint concerning bullying or violence, and after considering the best interest of the students directly involved, the principal shall promptly communicate with their parents to inform them of the measures in the anti-bullying and anti-violence plan. The principal shall also inform them of their right to request assistance from the person specifically designated by the school board for that purpose.

When parents/guardians have been informed about a bullying situation or an act of violence, they are expected to communicate with the school principal, an alternate administrator or the classroom teacher. The report will be documented. Following the investigation, the parent/guardian should be contacted and advised that the situation has been investigated and appropriate action has been taken. Details are divulged so as to maintain confidentiality.

School personnel must-report and/or investigate all incidents of bullying and take appropriate action whether they personally observe incidents or learn of them by some other means. Reporting investigating and action must occur even if the victim does not file a formal complaint or does not express overt disapproval of the incident.

For purposes of this Protocol, “*Conduct*” may include:

- Physical acts, such as inappropriate, unwanted, uninvited, or injurious physical contact with another; stalking; sexual assault; and destruction or damage to property of another;

- Blocking access to school property of facilities;
- Stealing or hiding or otherwise defacing books, backpacks or other personal possessions;

Conduct that would **not** ordinarily be considered bullying or violence includes:

- Teasing
- “Talking trash”
- Trading of insults
- The expression of ideas or beliefs that are protected by the *Canadian Charter of Rights and Freedoms*, so long as such expression is not lewd, profane, or intended to intimidate or harass another.

Element 7

SUPERVISORY AND SUPPORT MEASURES (for the victim, bully, witness & bystander)

It is the responsibility of every adult staff member to use difficult / challenging situations opportunities to help students improve their social and emotional skills, accept personal responsibility for their learning environment, and understand consequences for poor choices and behaviours.

A clear distinction exists between *remediation* and *consequences*.

- a) **Remediation**, intended to counter or “remedy: a behavioural mistake, can be an effective prevention practice. Remediation measures are intended to correct the problem behaviour, prevent a reoccurrence, protect and provide support for the victim and take corrective action for documented systemic problems related to bullying and violence. Remediation measures allow the student an opportunity to reflect on behaviours, learn pro-social skills and make amends to those affected. Working with recovery plans and restorative justice practices are categorized as remediation.
- b) **Consequences** communicate to a perpetrator that their behavior is their choice and their responsibility. A consequence respects the child’s right to make a decision, even if it’s not a good one. It’s a matter-of-fact learning experience in which you maintain a better relationship with the child as you hold them accountable. Consequences are almost always enacted in conjunction with remediation measures and restorative practices. Measures should be applied on a case-by-case basis and take into consideration a number of factors including:

Student Considerations:

- Age and developmental maturity of the students involved;
- Nature, frequency and severity of the behaviours;
- Relationships of the parties involved;
- Context in which the alleged incidents occurred;
- Patterns of past or continuing behaviours;
- Other circumstances that may play a role.

School Considerations:

- School culture, climate and general staff management of the learning environment;
- Social, emotional and behavioural supports;
- Student-staff relationships and staff behaviour toward the student;
- Family, community and neighborhood situation;
- Alignment with policies and procedures.

Examples of remedial measures and consequences may include, but are not limited to, the examples listed below:

Remediation Measures for Victims

- Meet with counsellor / mentor / special education technician / administrator / staff member to:
 - Create a safe environment to allow victim to explore feelings about incident. Maintain open lines of communication.
 - Develop a plan to ensure student's emotional and physical safety at school.
 - Ensure student does not feel responsible for the behaviour.
 - Ask student to log and report any and all future related incidents.
 - Offer counseling to help develop skills for overcoming the negative impact on self-esteem.
- A staff member will conduct scheduled follow-up meetings with the student to ensure the bullying or violence has stopped and to provide support to the student. The degree of support offered at these meetings and their frequency shall depend upon the feedback from the victim regarding the current circumstances.
- In all cases, it will be determined which members of the school staff must be made aware of the incident to ensure that the student is safe.
- Parents will be informed immediately following the incident and regularly updated until the situation is resolved.

Remediation Measures for Student Exhibiting Bullying Behaviour

- Develop an intervention plan with the student. Ensure the student has a voice in the outcome and can identify ways they can solve the problem and change behaviours.
- Meet with parent(s)/guardian(s) to develop a recovery plan agreement to ensure all understand school rules and expectations, as well as the long term negative consequences of bullying or violence, on all involved, and to clearly outline the consequences if the behaviour continues.
- Meet with special education technician, school counsellor, social worker or psychologist to:
 - Explore mental health issues or emotional disturbances – what is happening and why?
 - Offer additional social skills training such as impulse control, anger management, developing empathy and problem solving.
 - Arrange for apology – written is recommended.
 - Arrange for restitution – particularly if any personal items were damaged or stolen.
 - Determine restorative practices (age appropriate).

Remediation Measures for Witnesses

- Following the incident, an intervention may be held with any witnesses to determine their role in the incident. If the incident witnessed is severe, witnesses are met, in a group or individually, to debrief the event, discuss their role and to determine more appropriate actions in the future.
- The school reserves the right to contact the parents/guardians of bystanders.
- As with victims, witnesses to acts of bullying or violence should have a reasonable expectation of feedback from intervening adult figures in a timely manner so as to guarantee a sense of safety and security in the school.

Remediation Measures for Student Bystanders

- Review Student Response Protocol.
- Explore reasons why they did not intervene or report the incident.
- Offer of coaching on how to safely intervene or help the situation.
