

Clic École Pilot Program

Clic École App Download Guide

Your child's school has been selected to participate in the Clic École pilot program. If you have children in other schools, continue using the Parent Portal (or the mParent app) for their accounts.

The Clic École app is in its pilot phase. It is not available on the AppStore or PlayStore. You must follow the instructions below to download the app.

How to download the app* :

Apple Device (iOS)

1. Download and install the [TestFlight](#) app from the AppStore.
2. Allow or decline TestFlight notifications, then click [Continue](#).
3. **Do not click the Redeem button.** Instead, click the link your school sent to the email address associated to your account to install Clic École.
4. Install the app, then click [Open](#).
5. Allow or decline notifications for Clic École.
6. Click [Next](#).
7. Click [Start testing](#) and to be redirected to the Clic École login page.

Android Device

1. Click the link in the email received from your child's school.
2. Fill out the information on the Firebase App Distribution page.
3. Enter your Google address in the appropriate field and click [Sign Up](#).
4. Go back to your Google inbox, retrieve the confirmation email, and click [Get Started](#) at the bottom.
5. Accept the terms of use and click [Accept invitation](#).
6. Click the [Download](#) button (choose the latest version).**
7. Click [Install](#). Once the installation is complete, click [Open](#).
8. Click [Sign in with Google](#) and select the Google account you want to use.
9. Click on Clic École and you will be automatically redirected to the login page.

* If you use a phone provided by your employer, the IT department may block the installation.

** A Chrome alert may prevent the download. If this happens, click on [Settings](#) and toggle the switch to allow the installation.
