

Friday August 28th, 2026

We are ready to welcome your child for the 2026-2027 school year on Monday, August 31, 2026. Please review the information below for important updates and reminders.

Schedule and Locker Number: We are pleased to confirm that all student schedules are now available through the Clic École mobile application and on the Mozaïk Parent and Student Portal. We ask that students review their schedules and identify their Day 1, Period 1 class before arriving at school. Students should also take note of their locker number, which can be found in the upper right-hand corner of their schedule. Although locker lists will be available at school on Monday, it will be helpful if students already know their locker number before arriving. We would also like to remind all students in Secondary 2, 3, 4, and 5 to bring back the lock they used during the previous school year. Students who no longer have their lock will be provided with one at school. We look forward to welcoming everyone back and wish all students a successful start to the new school year.

Modification of Schedules: Students will have until Friday September 11th, 2026, to request a modification to their schedule. To request a schedule modification, students need to fill out this [form](#). The form will close automatically at 11:30 pm on Friday September 11th, 2026. No request will be treated after this date. Students will get their modified schedule by Thursday September 17th, 2026 at the latest, if the request has been granted. Only a valid reason will be accepted for modifying a schedule. Please note that we will do our best to accommodate your request and modify the schedule. However, we need to take into consideration several factors and some requests may be denied. It is also important to note that all schedules may be changed by administration at any time. The form will be available and open for any change request as of Tuesday September 1st, 2026.

Transportation: The information regarding transportation should be available in each of your child's Mozaik accounts if you are using a computer or on the Clic-École application if you are using a cell phone. Please make sure to consult your portal and ensure that your child/children will be at the designated bus stop at least 10 minutes before the time indicated.

Forms: On Monday August 31st, 2026, students will receive important forms that need to be signed by parents and returned to school as soon as possible. All forms are in an envelope. Please make sure to take the time to go over these forms, fill them out and sign them accordingly. We would like for all the forms to be returned by Friday September 4th, 2026.

Procedure for First Day of School: For the first day of school, all Secondary 1 students and Year 1 Diversified Path students will be guided to the gym upon arrival. Teachers will meet them there and escort them to their classrooms. Time will be spent providing information, distributing forms that must be signed by parents, explaining schedules, reviewing the code of conduct, practicing locker combinations, and ensuring students can locate their lockers. Starting from the second period, they will follow their regular schedule for the day. All Secondary 1 and Diversified Path students will receive a lock from the school on their first day. All Secondary 2, 3, 4, and 5 students, as well as Alternative Path students returning, will follow their regular schedule and report directly to their day one, period one class. Class lists will be posted on the walls to help students find the correct classrooms. Time will be spent providing information, distributing forms that must be signed by parents, explaining schedules, and reviewing the code of conduct. They will follow their regular schedule for the rest of the day. If your child(ren) still has their school locks from last year, please remind them to bring them back. The school will provide locks to all new students at LRHS.

School Picture Day: Monday September 28th, 2026 is the official date for school pictures. All students in the school will have their picture taken on that day. It is important that they are present and ready to have their picture taken.

Information on Cafeteria Services and Breakfast Club: Once again this year, all students of LRHS will be able to get a breakfast, free of charge, in the morning. The menu changes from day to day. The cafeteria will be open and in-service as of Monday August 31st, 2026. You can consult their menu and their price lists [here](#).

Extra-Curricular Activity Fair: Please note that we will have our annual extra-curricular activity fair on Wednesday September 2nd, 2026. During lunch time, students will be able to register for an extra-curricular activity of their choice. We are currently building the list of possible activities. The English version of the Activities Catalogue is attached to this email and is also available on the school website. The French version will be available on the school website as of Monday, August 31, 2026. Please take note of the following:

- **After-School Sports Fees:** Students participating in after-school sports will continue to pay an additional fee as part of their school fees. This fee will cover some of the transportation cost, the uniform, the coaching and some administrative fees from the RSEQ. This measure allows us to maintain the quality and availability of extracurricular programs. More information on this will be going your way soon.
- **Late-Day Bus Service:** This service will continue to be offered, including after-school care. However, it is important to note that the board remains under a budget recovery plan, and there is a possibility that this service may be discontinued. Should this occur, families will be informed promptly.

Despite these two important points, LRHS remains committed to providing a diverse and enriching range of opportunities for our students. Your ongoing support is invaluable as we work together to ensure our students thrive in a vibrant and supportive school environment.

Annual General Assembly and Curriculum Night: Our Annual General Assembly for parents will take place on Thursday, September 17th, 2026 starting at 6:00 pm. This event will be combined with Curriculum Night. The purpose of the Annual General Assembly is to elect parents to the Governing Board and enlist parents for the Parent Participation Organization (PPO). Curriculum Night is an opportunity for parents to meet with their child's teachers and acquire information on the routine organization and evaluation models the teacher will use. More information on the format of the evening will be communicated with you shortly. Save the date for this important meeting.
