Friday November 20th, 2026

Good afternoon to all,

You will find below some important information and some reminders for the next week. As usual, do not hesitate to contact us should you have any questions.

Pedagogical Days: As you are aware, today is a pedagogical day. Regular classes will resume on Monday, November 23, 2026, and it will be a Day 9. Please note that Friday, November 27, 2026, will also be a pedagogical day. Regular classes will resume on Monday, November 30, 2026, and it will be a Day 4. There will be no other pedagogical days before the Holiday Break.

Christmas Baskets and 12 Days of Giving: LRHS will continue to support families who may be in need of a Christmas basket during the holiday season. If your family requires this service, please complete the form below by Thursday, November 26, 2026. The form can be accessed here: Christmas Basket/Panier de Noël 2026 – Fill in form. In addition, LRHS will continue its tradition of the 12 Days of Giving. Beginning on Monday, November 23, 2026, students will be invited to bring one non-perishable food item each day. Students from the Leadership Program will be stationed at the bus entrances to collect donations. If you would prefer to make a monetary donation or donate gift cards, or if you have any questions, please contact Sara Ogilvie at sogilvie@swlauriersb.qc.ca or at 450-562-8571, extension 8449. The list of requested items can be found in the attached document, on our Facebook page, and on our school website. You can also bring some items during the evening of parent-teachers interview. We hope that all students will take part in this initiative as we work together to bring a little warmth and kindness to the holiday season.

Report Card for First Term: Report cards are now available through the Mozaïk Parent Portal when accessed from a computer or through the Clic École mobile application when accessed from a phone. Information on how to schedule a meeting with your child's teachers can be found below. During the week of November 23, 2026, the school will be sending Honour Roll letters to eligible students and their families. Letters will also be sent to students who are currently at risk of not successfully passing a subject or the school year. Below, you will also find a reminder of the various support measures and resources available to assist our students throughout the school year.

- Remediation Schedule for LRHS: Please note that the remediation schedule is now posted on our school website. You can access it here. It is important to note that all teachers are required to offer remediation during lunch and recess. Remediation is the best way for students to access extra help from their teachers in their respective subjects. Students are free to attend remediation with any teachers within a given subject.
- LEARN Quebec: This year, LEARN Quebec will be offering free online tutoring services. However, the process for accessing LEARN tutoring will be different than in previous years. Following the distribution of the first-term report card to families, the school board will run a verification process to identify students who are eligible for tutoring services through LEARN. Once this process has been completed, eligible families will receive an email directly from LEARN Quebec inviting them to register if they are interested in participating. Should you have any questions regarding this process, please do not hesitate to contact us. We remain available to assist you.

- Allo Prof: This is another free resource where students can find support. The platform offers a complete section dedicated to various subjects, including FSL, which may also be helpful. The website is accessible here. If you have any questions regarding any of these resources, please do not hesitate to call the school.

Governing Board Meeting: There will be a regular session of our Governing Board on Tuesday, December 1, 2026, beginning at 6:30 p.m. online. Should you wish to attend, please contact Ms. Nadia Anwar at nanwar@swlauriersb.qc.ca. A meeting link will be provided upon request.

Parent-Teacher Interviews: This is a reminder that Parent-Teacher Interviews will take place on Thursday, November 26th, 2026. Families have until this evening, Tuesday, November 24th, 2026, to schedule an appointment with their child's teacher. All information on how to book an appointment is available on the school website.

School Fees: The school fee invoice has been available through the Mozaïk Parent Portal when accessed from a computer or through the Clic École mobile application since Friday, November 6, 2026. The deadline to pay school fees is Monday, November 30, 2026. If you notice any errors or discrepancies on your invoice, please contact Ms. Myriam Brisson at extension 8416 or by email at mbrisson@swlauriersb.qc.ca. Any necessary corrections will be made. As a reminder, all school fees must be paid in full for students to be eligible to participate in extracurricular activities and educational field trips. If you require a payment arrangement or have questions about accessing the portal, please contact Ms. Brisson as well.
