Friday November 6th, 2026

Good afternoon to all,

You will find here below some important dates to remember and some important information.

School Fees: The school fee invoice is now available on your Mozaïk Parent Portal when accessed from a computer or through the Clic École mobile app as of Friday, November 6, 2026**.** The deadline to pay the school fees is Monday, November 30, 2026**.** Should you notice any errors or discrepancies on your invoice, please inform Ms. Myriam Brisson at extension 8416 or by email at mbrisson@swlauriersb.qc.ca. We will make any necessary corrections. As a reminder, all school fees must be paid in full for students to be eligible to participate in extracurricular activities and field trips. If you need to make a payment arrangement or have any questions about accessing the portal, please contact Ms. Brisson as well.

Remembrance Day Ceremony: Laurentian Regional High School is proud to invite our community, parents, families, and valued stakeholders to our annual Remembrance Day Ceremony on Wednesday, November 11, 2026. Join us as we gather to honour and remember the sacrifices made by those who served our country. The ceremony will take place in the Cécile Wojas Auditorium at LRHS. Doors will open at 1:45 pm. We look forward to welcoming you as we come together in remembrance and gratitude.

End of Term and Extra Academic Support for Students: With the end of Term 1 taking place today, Friday, November 6, 2026, we would like to remind families that the first-term report card will be available on the Mozaïk Parent Portal (when accessed from a computer) and through the Clic École mobile app on Thursday, November 19, 2026. Families will also have the opportunity to meet with their child's teachers during our Parent-Teacher Interview Evening, which will take place in person on Thursday, November 26, 2026. Appointment bookings will open on Monday, November 16, 2026. Additional information regarding the interview process will be shared with families shortly. With this in mind, please find below information about the different academic support services available to your child.

- Remediation Schedule for LRHS: Please note that the remediation schedule is now posted on our school website. You can access it here. It is important to note that all teachers are required to offer remediation during lunch and recess. Remediation is the best way for students to access extra help from their teachers in their respective subjects. Students are free to attend remediation with any teachers within a given subject.

- LEARN Quebec: This year, LEARN Quebec will be offering free online tutoring services. However, the process for accessing LEARN tutoring will be different than in previous years. Following the distribution of the first-term report card to families, the school board will run a verification process to identify students who are eligible for tutoring services through LEARN. Once this process has been completed, eligible families will receive an email directly from LEARN Quebec inviting them to register if they are interested in participating. Should you have any questions regarding this process, please do not hesitate to contact us. We remain available to assist you.

- Allo Prof: This is another free resource where students can find support. The platform offers a complete section dedicated to various subjects, including FSL, which may also be helpful. The website is accessible here. If you have any questions regarding any of these resources, please do not hesitate to call the school.
