The website to create a profile and add funds to your child's Resto card is pausemidi.ca

We made this transition at the beginning of the 2026-2027 school year and is a much more efficient interface to our previous website aramarkenligne.ca

However, we understand that there have been some issues when creating an account or adding funds.

A few suggestions to avoid this happening:

- use a laptop or desktop

- Use your personal email. Not a company or government email.

-If you have a pre-existing account or are having trouble logging in, do a password reset. You will receive a link. Be sure to check your junk

- To add, remove or modify a profile click the username on the top right of the screen and go under "Profile"

If you have any further questions, please contact me.

Thank you
